

If you are unable to view the B.L.M. Internet Adoption Web-site,
follow these instructions to enable your web browser.

- (1) Click the “Tools” button in your browser.
- (2) Click “Internet Options”.
- (3) Click the “Advanced” tab.
- (4) Scroll to the bottom of the list.
- (5) Make sure the following boxes are checked.

Use SSL 2.0

Use SSL 3.0

Use TLS 1.0

- (6) Click “Apply”
- (7) Click “O.K”.

You should now be able to view the Internet Adoption Page.
